Dear Physician-

As a part of the evaluation for an adoptive home study, the prospective adoptive parent is required to have a physical assessment that assures the adoptive parent is physically able to parent a child. In addition, you are being asked to evaluate the health of the **children presently living in the adoptive home**. Would you please assess the patient in this regard and fill out this form in its entirety to be submitted into the court record.

Patient name:

DOB:

Date of examination:

Current medical status:

Any communicable diseases or health issues:

Any medical/psychological concerns regarding this individual's ability to safely live with an adoptive child/step-parent:
